This policy is for all Students who are enrolled in courses at POCH&LCI.

Objective

POCH&LCI places high priority on student welfare, security and safety. Our goal is to provide an environment that ensures that student welfare is not compromised in any way. Where possible, POCH&LCI will provide assistance to students to support their attendance and participation at POCH&LCI.

The objective of this policy is to ensure the safety of students attending POCH&LCI.

Policy

This policy addresses the security and safety measures taken by POCH&LCI to ensure that the goal set out above is met.

Safety and Security

- The car park is well lit for students attending evening classes.
- The front door is coded and can be locked from the inside while students are in class.
- Trainers are to ensure that neither they nor students are left alone when completing lock up procedures, especially after night or weekend sessions. Trainers should ensure that neither they, nor students are left alone on site at the conclusion of classes.
- Emergency phone numbers are displayed in the front office and on the front door.
- The alarm system has a “panic” code which can be activated at any time.

- The Trainers have all this information in their handbook which is given to them at the commencement of their courses.
- Smoke alarms are fitted throughout the building and batteries are changed every six months or as needed if sooner.
- Regular fire drills are held.
- Evacuation procedures and assembly points are displayed in every room.

- Trainers are to ensure that neither they nor students are left alone when completing lock up procedures, especially after night or weekend sessions. Trainers should ensure that neither they, nor students are left alone on site at the conclusion of classes.
- If Students under the age of 18 are attending training after hours, the trainer will wait with them until they are collected from the Centre by a responsible adult, or until they are safely on the bus.
- While POCH&LCI will ensure that its premises meet the Australian Workplace Health and Safety guidelines, students must take all practicable steps to ensure their own safety while at POCH&LCI premises.
- Accidents incidents or hazards occurring within POCH&LCI premises must be reported to staff or trainers immediately. The Accident/Injury/Incident Report form must be completed which will be given to the OHS officer to action.
