IMPLEMENTATION

Under National Law, Section 263, Early Childhood Services are required to comply with Australian privacy law which includes the *Privacy Act 1988* (the Act) aimed at protecting the privacy of individuals. Schedule 1 of the *Privacy Act* (1988) includes 13 Australian Privacy Principles (APPs) which all services are required to apply. The APPs set out the standards, rights and legal obligations in relation to collecting, handling, holding and accessing personal information.

The Notifiable Data Breaches (NDB) scheme requires Early Childhood Services, Family Day Care Services, and Out of School Hours Care Services to provide notice to the Office of the Australian Information Commissioner (formerly known as the Privacy Commissioner) and affected individuals of any data breaches that are 'likely' to result in 'serious harm'. Businesses that suspect an eligible data breach may have occurred, must undertake a reasonable and expeditious assessment to determine if the data breach is likely to result in serious harm to any individual affected. A breach of an Australian Privacy Principle is viewed as an *'interference with the privacy of an individual'* and can lead to regulatory action and penalties.
