

All Abilities Creative Arts

A relaxing and creative class for people with disabilities

Are you ready to set off on a path of self-expression, creativity, and skill development? Our course is crafted to nurture your artistic talents while simultaneously refining your communication skills.

Art often conveys emotions and ideas that words alone cannot fully express. This class caters to individuals who are eager to use art as a medium for self-expression.

Learn how to use a variety of mediums and styles to create imaginative artworks including but not limited to:

- Watercolour painting
- Acrylic painting
- Clay
- Mosaic
- And more!

This course is a part of the pathway to accredited courses:

- CUA20220 - Certificate II in Creative Industries

Contact us to discuss support needs and goals of the participant, as well as answer any questions you may have regarding the NDIS, payment and fees.
